## Biography

Nelda Altland is an experienced attorney who has represented clients in a broad range of civil litigation, including insurance defense, personal injury, wrongful death, nursing home care, medical malpractice, and commercial litigation.

Nelda has represented individuals through all phases of litigation. She provides sound counsel with common sense advice to help her clients find a resolution to their legal challenges. Nelda has previously served as a managing partner in a boutique law firm. She also taught legal classes at two local colleges and has volunteered her time at Legal Services of North Texas.
